**For Immediate Release**

### **ISR Internationale Schule am Rhein in Neuss Inaugurates New Campus**

On October 18, *ISR Internationale Schule am Rhein in Neuss* will celebrate the inauguration of its own state-of-the-art campus at the Konrad-Adenauer-Ring in Neuss. Built by German construction company Goldbeck Gebäudemanagement GmbH, the new campus offers world-class facilities on a campus of 41,500m<sup>2</sup>. These facilities include science and computer laboratories, music and art rooms, library, cafeteria, triple-court sports hall, classrooms, multi-purpose rooms, a separate KG area, and playgrounds.

*ISR Internationale Schule am Rhein in Neuss* is a private school that is the result of collaborative efforts of private and public initiators that began in 2003. The county of Neuss, the city of Neuss, and the Neuss Chamber of Commerce joined forces with SABIS<sup>®</sup> Educational Systems, Inc. and other multinational investors to establish an international, college-preparatory school in the heart of the Neuss/Düsseldorf area.

In its first year of operation, the school had sixty-five students enrolled. With the addition of a grade level each year, ISR enrollment has steadily grown to its current enrollment of ca. 400 students in Kindergarten through the tenth grade. Its student body is comprised of students from Germany, USA, Korea, Turkey, Japan, China, The Netherlands, Taiwan, Britain, and Russia.

As a member of the SABIS<sup>®</sup> School Network, *ISR Internationale Schule am Rhein in Neuss* provides a top-quality international education and currently offers a full-day academic program, an extended day care program, and numerous sports and activities.
